Chart Analysis:
After converting the time, there is a pattern that people have less time on tweeting in the morning, before lunch time; but tweet more at night, particularly before bed time(around midnight).

Twitter average words count on each weekday in 5 regions

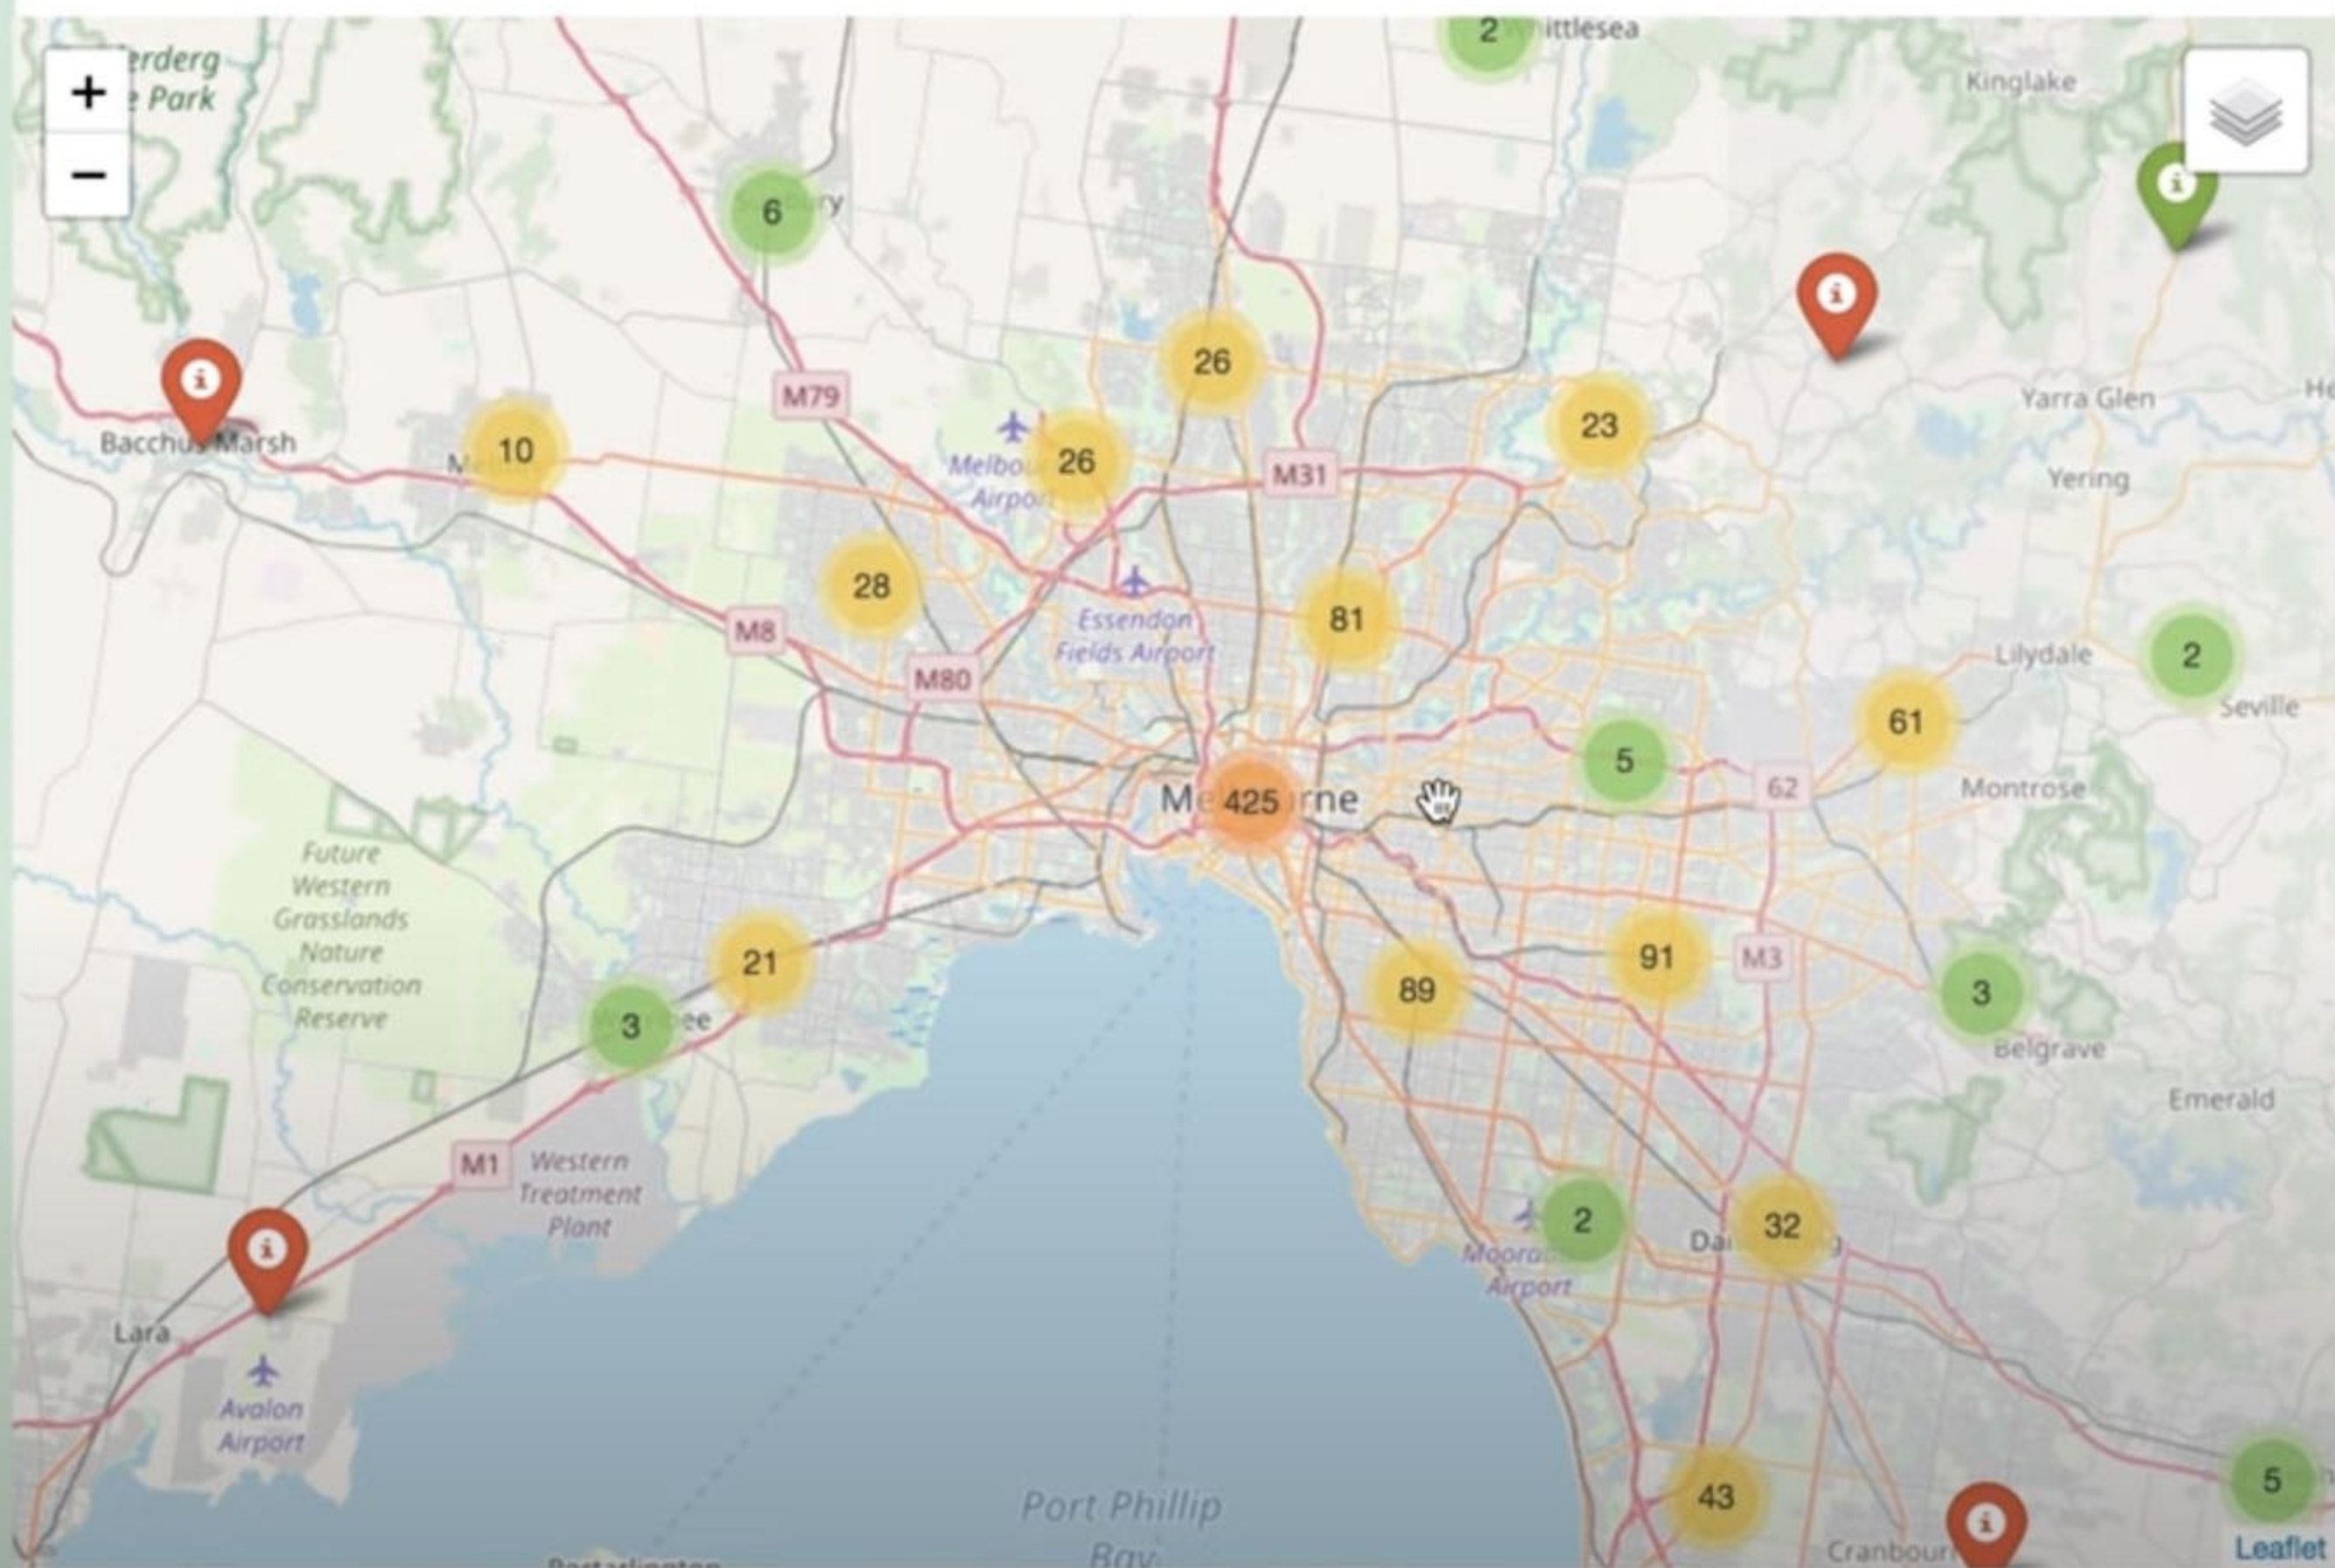

Region	Mon	Tue	Wed	Thu	Fri	Sat	Sun
Melbourne	12.94	13.15	12.87	12.87	13.25	12.54	13.11
Sydney	12.48	12.82	12.87	12.56	12.35	12.54	12.82
Brisbane	12.94	12.82	12.87	12.56	12.35	12.54	12.82
Adelaide	11.66	12.34	12.87	12.56	12.35	12.54	12.82
Perth (WA)	12.94	13.15	12.87	12.87	13.25	12.54	13.11

Chart Analysis:
As mentioned before, people tweet more on Saturday. However, they tend to write shorter tweets on Saturday as well. Among all, Sydney and Melbourne have relatively constant data. People in Perth are long-tweet lovers, especially on Friday.
